Major Overhaul Promised On City Civil Service Rules

The scheduled fireworks on Daly City's civil service rules fizzled and sputtered Wednesday night, and all was sweetness and light as councilmen learned that a fresh new set of rules were on their way to city hall.

The council had ordered the special parley with the personnel board after an angry session last week in which all upcoming civil service examinations had been cancelled and board decisions labeled "vest pocket agreements."

Harry Bosbery and Starr Dunnham appeared for the board, explaining that the outmoded rules and regulations governing city employment and examinations would soon be replaced with a new set of rules which the personnel group has developed over the past several months.

Councilmen agreed to proceed with the cancelled examinations (police captain April 19 and fire captain April 22) as scheduled.

Bosbery said the new rules would be turned over to the council after the personnel board made final revisions at their May 7 meeting.

Councilman Sanford Vickers opened the inquiry by asking "clarification of some board decisions and how they're reached." He maintained that many practices were put into effect verbally without being recorded. He also questioned the holding of oral examinations without witnesses.

Bosbery said that of 20 oral examinations given since February 29, 1956, a member of the personnel board had been present at time of the examination on 14 occasions. On three of the other exams, out-of-town persons qualified in the field for which the exam was being given were present, Bosbery declared. In the other three cases, the jobs up for examinations were "minor positions" and no member of the personnel board was available at the time, he explained. "We attend the oral examinations whenever it's possible," Bosbery said. "We never hold an oral exam unless a competent person is there."

Vickers argued that the rules should be changed to require that a member of the personnel board be present at

JITNEY FIRM WINS STONESTOWN ROUTE

Northgate Transit company's request for three new jitney routes, one to Stonestown, won approval of the state public utilities commission Tuesday.

Decision was based on the result of a public hearing held here February 28.

In addition to the Stonestown run, the jitneys will traverse two other routes, one to the Olympic and the other to the Palisades sections of Westlake.

The Stonestown route will start at Westlake Shopping Center, along South Mayfair to Park Plaza drive, to Lake Merced boulevard to Winston drive, 20th avenue, Buckingham way, Winston drive, Lake Merced boulevard back to Westlake.

Fare on all three of the new routes will be 15 cents.

Daily schedule, except Sundays, would provide a 30-minute schedule to the Palisades and Olympic sections and a 20-minute schedule to Stonestown. A 30-passenger bus will be operated on the Stonestown route.

The transit firm must file notice of acceptance of the new routes with the commission within 30 days of April 16. The route must be started within 60 days and the public must be given at least five days notice before the new service commences.

Divorcee Names Cop In Cemetery Sex Attack

Two South San Francisco police officers resigned this week after a Daly City woman accused one of them of assaulting her in a Colma cemetery while his companion waited in a nearby car with the alleged victim's sister.

Marie Cooper, 28-year-old divorcee and mother of five, said today that she will sign a criminal complaint against officer Alfred Steward, 32. Earlier she refused to press charges because "he's got enough trouble already.'

The alleged assailant and his partner, officer Frank W. Grant, 22, have both resigned their positions.

Mrs. Cooper, 167 Los Banos avenue, and her sister, Leita King, 22, who resides with her, told the following story:

Early Monday morning they were driving on El Camino toward Daly City when Steward and Gent stopped them for going through an arterial stop. Gent talked with the two women while Steward wrote out a ticket, but later tore it up and suggested the four go to a quiet spot to get better acquainted. The women followed the patrol car to a point at the rear of a Colma cemetery.

Steward stayed in the back seat of the patrol car and Mrs. Cooper got in with him. Gent accompanied Mrs. King to Mrs. Cooper's vehicle.

Mrs. King said she then heard her siter cry out, "Oh, no!" Mrs. King said she asked Gent if they shouldn't investigate, but the officer assured her nothing was wrong.

Steward said the whole thing was a "frame-up" by a 17-year old South San Francisco youth who he claimed is Mrs. Cooper's boy friend.

District Attorney Keith Sorenson said Mrs. Cooper's charges may be taken before the grand jury.

The Town Record

By MONTE DAYTON

That local school principal who gave a report before the JESD trustees last week was a bit abashed when she started reading from the chart she had prepared.

In big, bold lettering for all to see was the word "administration" spelled "admistration."

Strictly a case of not enough room to get the whole word in. We hope.

It's late, but it's good.

A local grocery store was given a check by a good customer on April 1. The wag endorsed it "April Fool" and the proprietor didn't bother to look at the signature.

Then she herself unwittingly endorsed it over to a soft drink supplier as payment for goods.

The prank came to light in the offices of the soft drink firm, which didn't see it in quite such a whimsical light as the original author.

But they finally bent to the spirit of the occasion and all was forgotten. The gent named "April Fool" finally signed his right name. Or was it right in the first place?

Lost a gold wedding ring?

Citizen's Group Pushes JESD 'Turnover' Study

First phase of the Citizens' Committee report on the "problem" of high teacher turnover in Jefferson Elementary School district ended in relative satisfaction Wednesday night for both board and surveyors.

Each side of the fence expressed desire to follow up on the "problem," hoping to determine its extent.

Superintendent H. Z. Weibel pointed out that if the high turnover is "really serious, we must find a way that it can be reduced."

Weibel told THE RECORD the Citizens' Committee report shows that "from an educational standpoint, the district's program is good, particularly the materials presented and the staff (teachers).'

In comparison to several other elementary districts, he continued, Jefferson has a slightly higher turnover.

Weibel said many factors probably were responsible. He cited, in particular, low salaries and unfortunate delayed timing on adopting salary schedules.

Tom Noonan, vice chairman of the citizens' group, confirmed that the 30-minute hearing given his unit by the board "proved most satisfactory.'

"We believe the board has interest in this matter of turnover and are agreable to our continuing the study."

Board chairman Katherine Mullen tentatively gave the "go ahead" sign, asking that the Citizens' Committee submit a formal request for official board approval.

The citizens' group launched their survey in January "to improve the schools." the turnover matter was their basic target, and as they reiterated Wednesday, their study to date is only in the preliminary stages. They intend to investigate other phases of the district's operation.

Regular policy meeting found trustees hearing report by John Bean, administrative assistant, on Stanford's survey of district policy.

Weibel has invited Dr. Russell Kent and staff from Stanford to the May 8 board meeting for a complete review of the district's policy handbook.

Trustees also approved the Citizens' Committee request for a public meeting, some time in May, at which Dr. William O'Dell and his assistants from Stanford will report on their studies on district arithmetic standards. Social studies will be the next subject of their review.

Clo Ann's Partner Is Reported Sane: He'll Face 'Music'

Mike Wiegner, 17, Clo Ann's "mixed up" hubby, will have to stand trial after all for his part in the "kidnap" episode.

District Attorney Keith Sorenson so stated this week after the superintendent at Atascadero State hospital reported Mike "fully sane."

Wiegner was committed for mental treatment two months ago. At first it was believed he would escape punishment because of his alleged insanity.

When Mike is released, he's due in Superior Court.

His bride, meanwhile, has been made a legal ward of his parents—at her own request.

PAN-AMERICAN INCIDENT

For Whom The City Horn Tolls

Theese Americano mailbox, they give leetle gorls an awful scare.

Mirella Bonilla, nine-year-old Nicaragua girl, arrived here last week to spend a few days with her older sister, Mrs. Seth Welch Jr., at 308 Vista Grande avenue.

Mirella, who hails from Managua (like in the song) Nicaragua, obviously speaks only Spanish.

The day before Mrs. Welch mailed a letter to her other sister in Managua, but the address was in Spanish, so the Daly City post office sent the letter back for re-addressing on Wednesday morning.

Mrs. Welch addressed the letter and gave it to young Mirella to post later that morning.

Mirella had been to the mailbox before and knew the way, so she set off jauntily on her journey in the new land.

She stopped at Woodrow and Vista Grande to mail the letter.

Mirella opened the box and pulled the lever down.

Carramba! Then these trouble, she starts.

AWRRK, moaned the big horn on top of city hall unceasingly. It was stuck.

Police sirens wailed, fire engines clanged. Before she could say "Jesus, Maria y Jose," little Mirella was surrounded by one big red fire engine, a fire truck, a fire chief's car and a police squad car.

Her big brown Latin eyes filled with fear.

Then the gringoes, they make with the questions.

"Where is your mamma," asked Officer Robert Crooker.

"Where do you live?"

"No speaka Englis," said the trembling Mirella.

Poor Mirella. She mail a letter, they send it back. She mail it again, and an army of uniformed police and a caravan of los automoviles arrive.

Mirella sobbed, reaching near hysteria when Crooker escorted her up to the steps of the Welch residence.

Crooker explained to Mrs. Welch that everything was all right, and would she please so inform Mirella.

Tears still streamed down Mirella's face.

Finally she was calmed by the officer's gentleness and reassurance of her sister.

Mirella has only been here a week, but she now knows the difference between a United States mailbox and a fire alarm box.

Post Office Back To Normal

A federal directive restoring postal service to "near normal" was received yesterday morning by Postmaster Vincent Murphy.

The instructions, Murphy said, order a return to Saturday mail delivery and pick-up and provide for 8½ hours week-day window service, three hours less than the normal 11.

Murphy said, however, that he would request opening of window service from 8 a.m. to 5:30 p.m., bringing the total hours up to 9½. Regular daily window hours are from about 7 a.m. to 6 p.m.

Other cut-backs that will remain in effect until the end of the fiscal quarter July 1 include a suspension of uniform allowance payment and a ban on procuring new supplies.

"We're in pretty good shape on supplies," Murphy said, "except for some shelving and other office equipment for the new Westlake branch." The purchase of the equipment will have to wait until July 1, but should not delay opening of the branch.

Murphy said the two temporary employees relieved of duty two months ago would be returned to work. "If we're going to give practically the same service we've got to have the help," he said.

CHRISTMAS? No, just the backlog of mail that piled up Saturday at the Daly City post office as a result of the emergency closing and cutdown in service, caused by a federal post office fund shortage. Left to right, carrier John Williams, Postmaster Vincent Murphy and assistant postmaster Louis E. Galli, inspect log-jam that kept postmen busy through Wednesday getting out Saturday's mail. "We've cleaned everything up now," Murphy said. He estimated that hours, including Saturday opening, and mail service would be restored to normal by the end of this week.

JESD BUDGET FOR 1957-58 NEAR $2 MILLION

Prospects of a near $2 million budget looms for the Jefferson Elementary School district, according to a preliminary estimate submitted to trustees last week.

Rising costs of operation because of an anticipated enrollment increase will swell the 1957-58 figure to $1,924,385, as compared with the current 1956-57 budget of $1,793,173.

Whether the sizeable increase of more than $130,000 will push taxes even higher than the present $2.30 per $100 assessed valuation is not yet known, said Superintendent H. Z. Weibel. The general purpose rate is already at the maximum $1.50 per $100. Any tax hikes made will be added to repayment of bonds and state loans, Weibel calculated.

As the tax breakdown now stands, district residents pay $1.63 (includes community services, teacher retirement) per $100 on the general purpose rate; .395 per $100 for retirement of bonds; and .271 for repayment of state loans.

The owner of an average dwelling assessed at $3000 pays annual taxes of $69 as it now stands.

Major item in the 57-58 budget is the $1,137,435 for salaries of teachers and administrators.

Operation of school plant is the second largest single item at $183,050, while other ex-

Week-Long Religious Fetes Here

North Peninsula Christians will flock to Catholic and Protestant churches this week in the final week of Lenten observances leading up to the celebration of Easter Sunday.

For news stories and schedules of Catholic and Protestant churches' Easter week services see pages 6 and 7 of this week's RECORD.

Maundy or Holy Thursday rites are planned this week at most area churches, while worship will continue Good Friday, with most stores observing the traditional 12 noon to 3 p.m. closing.

The area's Catholic churches, Our Lady of Mercy in Westlake, Holy Angels in Colma, Our Lady of Perpetual Help in Daly City, Church of the Good Shepherd and St. Peter's on the Coastside and St. Thomas More in San Francisco will celebrate the final few days of the Easter season with confessions Wednesday, Masses Holy Thursday, liturgical services on Good Friday and special services and midnight Mass on Saturday.

The North Peninsula Protestant churches have a full schedule of worship and observances planned throughout the week.

Annual Easter Sunrise service will be held at the El Rancho Drive-in Sunday morning at 5:15 a.m.

Businesses in the area are geared for a last-minute rush of shoppers who will select attire for Easter day dress. Lateness of Easter this year has retarded buying for early April but this week is expected to

Easter Slate Features City-Wide Egg Hunts

See Photo Pg. 3

In an exclusive interview, Mr. Easter Bunny told THE RECORD today that he will hop into Daly City early Saturday morning to plant his product for the community's 10th annual Easter Egg Hunt.

Old long ears said he'll deposit a bushel of colored eggs and goodies in hidden areas of four city playgrounds. The sites: Edgewood, Frankfort, Marchbanks and Westlake parks.

The massive search begins at 10 a.m., and all kiddies, 12 years and under, are welcome to participate. Each age group will be instructed where to look at the individual sites.

Brer rabbit added that special prizes will be given children who spy the gold and silver eggs.

Brer Rabbit Plans

The Easter Bunny will work overtime here Saturday, especially in Westlake.

Thanks to Bernard Etcheverry and his Westlake Merchants group, the fluffy one will be on hand at the 64-store Shopping Center from 12:30 to 5:30 p.m., with free eggs for all children.

Don't miss him, kids. He comes only once a year, you know!

Most important, he continued, is that kids should be sure to report to the right parks—in order to avoid overcrowded conditions.

With this in mind, the four-footed invader established the following schedule:

1. Youngsters living north of "top of the hill" should report to Frankfort park(Frankfort street near Templeton avenue.)

2. Those south of "top of the hill" and east of Mission street must go to Edgewood playground.

3. Tots residing between Mission and Junipero Serra are tagged for Marchbanks park. Those under 6 years should assemble near the basketball courts, the 7-12 group next to the baseball diamond.

4. All Westlake tots are eligible at Westlake park.

Before skipping off to the tall grass, Bugs Bunny's pal sprayed a few pat on the backs. Stoutest ones went to Dee R. Van Nest, city director of parks and recreation, and Bob Leibe, recreation supervisor.

The city, you see, is sponsoring the affair. Just another sample of new-arrival Van Nest's many projects for the youth of this area.

Coastsider Files For Three Posts

Nineteen candidates in six local school trustee races are preparing all-out campaigns today after the filing deadline closed Wednesday with a rash of last-minute bids.

In an unprecedented move, Coastsider Raymond T. Whitney, Pedro Valley postmaster, has shot himself into the running for no less than three school district berths.

An incumbent seeking re-election on the Jefferson High School board, Whitney also has filed for the Laguna Salada Elementary and San Mateo Junior College district jobs.

Unusual

His action, according to reliable sources, is "most unheard of" in this area.

Things are popping in a blatant preview to a wide-open battle at the polls May 17.

Whitney and board chairman Lyal Ingersoll, Daly City, have three challengers in their attempt to renew positions on the high school board. Last to toss his hat in the ring was Robert Hale, a Sharp Park resident and member of the Laguna Salada board. Two others in the scramble, Westlake's William A. Larsen, and Sterling Park's Thomas A. Noonan, also figure to stir up a close finish.

No Breeze

Two more competitors arose Monday to make it a three-way skirmish for the lone trustee slot on the Jefferson Elementary board. Incumbent Katherine Mullen, board chairman, will get stiff competition from James W. Murphy, Westlake, and William H. Reck of Broadmoor. Murphy and Beck prevented a "no-contest" prospect when they filed papers Monday.

Biggest flock of candidates, 6, are gunning for the lone opening on the Laguna Salada board, a sample of the Coastside's heavy interest in school affairs.

Hopefuls there are Mrs. Dorothy Edminster, Fred M. Ballew, Glenn A. Butler, Walter A. Henkel, Emmett P. Nannery, and Whitney.

JC Outlook

Four people are after two trusteeships with the San Mateo Junior College district. Besides Whitney, entrants are Daly City's Anthony J. Gaggero, former mayor; Robert A. Tarver, Hillsborough, and Robert J. Rosenberg, San Mateo.

Incumbent Garnet Robertson is assured of a "repeat" on the Bayshore Elementary board. No one else took the trouble to file.

In Brisbane incumbent Louis J. Duncan is opposed by Steven Rewak. Mrs. Laura Johnson, an intended candidate, withdrew her papers.

JC Trustee Kendree Bows Out

Jack Kendree, appointed to the San Mateo Junior College district board of trustees last year, announced today that he would not seek election to the post because of "pressure of business."

Kendree, managing director of Henry Doelger's Westlake Shopping Center, was appointed to the board last year to replace Howard Walzer, who resigned.

His appointment gave the north county long-absent representation on the JC board.

One other three-year position will be open on the junior college board, that of Robert Tarver, who has filed for re-election.

show heavy activity.

For the youngsters, Easter Egg hunts will be the order of the morning, while Daly City kids will get a one-day jump on the bunny with the recreation department's annual egg hunt which will be held at the several parks. Details are elsewhere on this page.

DRIVER BRINGS READY-MADE FIRE

T. Ortiz, 168 Miriam, might be accused of carrying Coal to Newcastle.

Ortiz was driving his car Friday evening when a lighted cigarette dropped and set the auto cushion afire.

Not one to panic, Ortiz sped to 499 Santa Barbara avenue, where Firehouse No. 2 is located.

Firemen doused the flames, and Ortiz went on his way.

Firemen wish they were all that easy.

Sgt. August Benassini found same, right inside the city hall door.

Owner can claim by identifying initials inside ring.

According to a recent news article Daly City's cop chief R. A. Petrocchi is now Colma police chief.

He'll be surprised to learn of his transfer.

A metropolitan newspaper and a Peninsula daily may lock horns in an editorial war.

The metropolitan, with tongue in cheek, took a San Mateo paper to task for its comments on pending state legislation.

Said the Peninsula paper, the proposed laws would allow San Francisco to take over "tax-rich Westlake and other portions of Daly City."

The metropolitan guffawed at charges of "blatant political immorality" and an "act of thievery" and "legalized rape" uttered by the south county paper.

Said the sophisticated Big City paper, "The city hall will be unforgivably negligent if it does not act at once to strengthen the border patrol, prepare airlifts for the county jail, airport and other enclaves south of the border, and set up camps to receive refugees who may come streaming in from the Daly City strip."

A veritable "Middle East Crises," it was said.

Added to this are $3500 for food services, $20,850 for community services, $166,500 for capital outlay, for the total figure of $1,924,385.

Weibel pointed out that the budget was only tentative, since classified employes have a wage request increase pending which could increase costs further.

The board will probably take up the budget at length when they convene for regular session April 24.

School Illnesses 'One For The Book;' Food Held Cause

James Roney of the county health department, who said today that after exhaustive investigation his department workers were still stumped as to the cause of sickness that struck 154 students within a one-day period.

Although experts came up with a "blank," they did decide that the hot noon meal served at the school cafeteria on April 3 was cause of the epidemic-like stomach illness.

As Dr. Roney explained it, the unusually hot temperature that day probably resulted in the abnormal multiplying of common bacteria found on all food.

Dr. Roney said the health department's investigation included interviewing of 68 of the stricken students, analysis of stool specimens of 58 other youngsters, and a complete check of food, water and milk used at the time of the outbreak. "We ran every test we could," he commented.

He said the cafeteria had been thoroughly inspected by county crews and that conditions were found to conform to sanitary standards.

"It's just one of those rare cases that winds up in the medical journals," he observed.

LAURA JOHNSON WITHDRAWS FROM BRISBANE RACE

Housewife Laura Johnson this week announced her withdrawal from the Brisbane Elementary School district trustee race.

She said she would swing her support to printer Stephen Rewak, "because we both share the same views on this unnecessary school tax increase."

She was referring to the proposal to raise the Brisbane district taxes 80 cents per $100 valuation, in an issue that will be on the ballot at the time of the May 17 trustee election.

Mrs. Johnson declared the extra tax money would go to build "unnecessary sewing and cooking rooms."

Rewak will face incumbent Louis J. Duncan in the May 17 balloting.

all oral exams.

"That's no criticism of the board," said Mayor Joseph Verducci, pointing out that the present rules did not require a board member to witness the exams. "This should be a recommendation for the future."

Also up for brief discussion was the much-debated issue of placing three men now on the battalion chief's list to the newly-created lesser position of fire captain.

Bosbery said the board, in rejecting request of the three firemen to "demote" themselves, had felt that all applicants for fire captain should be required to take the exam.

Councilman Micheal De Bernardi reiterated a question made last week regarding securing of candidates for promotional jobs within a department.

He cited the forthcoming police captain job, pointing out that under civil service policy, if there are not at least three qualified candidates within the department, the job might be thrown open to candidates from outside the city.

Bosbery answered that the board would "consult with the council first" before placing a promotional job in an "open" status.

De Bernardi also asked that the salary "step" plan be examined to determine if any employees with seniority were being paid less than persons with fewer years of service.

De Bernardi said he had planned to ask the board many more questions. "But didn't realize you were so close to completing the new rules."

Henry Crocker, executive secretary of the Peninsula Employees Council, declared that the problems which had confronted the city on employee morale and examinations were brought about through "failure to set up adequate civil service rules."

He requested that the council make use of the free consulting services offered by Col. A. E. Garey, national authority on civil service who is affiliated with the public employees union.

Bosbery said the new civil service rules would be submitted to the employees before final adoption.

Successful Sale Held By Auxiliary

A successful rummage sale was held last week by Brisbane American Legion Auxiliary 473.

Chairman Mrs. Hazel Hooper said proceeds will go for rehabilitation of hospitalized veterans and child welfare.

New officers will be nominated at the next meeting May 14.

Arrests, Juvenile Cases On Upswing

Arrests and juvenile crime in Daly City showed a marked upsurge last week over the same period a year ago, according to a weekly report submitted by City Manager Howard Stites.

Juvenile cases handled by the city last week hit 19, as compared with five the previous week. Through Tuesday there were 248 juvenile cases this year, as compared with 185 for the same period in 1956.

Stites said, "The juvenile cases look high, but our department records every incident. Many cities record only those juvenile cases that require detention of the individual at the jevenile home.

Adult arrests for the year were listed at 566, as compared with 354 for the same period in 1956.

There were 22 arrests in the week ending Tuesday, as contrasted to nine the previous week.

Broadmoor Arrests Narcotics Suspect

Broadmoor police gave an assist Wednesday in the arrest of a 26-year-old Milwaukee horse-race bettor on suspicion of narcotics theft charges.

Morris Ruffin, who told Broadmoor officers he followed the horses for a living, was picked up at Junipero Serra and 91st after a call from Burlingame police.

According to Burlingame officers, Ruffin walked into Peninsula hospital, represented himself as a doctor and was left alone in the narcotic room. An investigation revealed some of the narcotics missing. No narcotics were found in his possession but he was carrying $400 cash at time of his arrest, police said.

Planning Study Application Goes To State Monday

Daly City's application for a $16,950 planning study, half of which would be financed by the federal government, will be considered Monday by the state planning commission.

The two-year study, to be conducted by Hahn, Wise and Associates, must win approval of the state board, which administers the planning program, and the federal government, which finances a portion of it.

City Manager Howard Stites said that if the application is approved Monday, it will take at least three to five months more to secure go-ahead from Washington.

Under the planning consultant firm's proposal, Daly City would contribute approximately $4000 in cash, $4000 in services, to the study, with the remainder coming from federal funds.

The planning study would chart projected growth and plot a land use plan to carry Daly City through 1980.

Laborer Collapses, Dies After Seizure

A 55-year-old San Francisco laborer collapsed and died Monday while pulling weeds in the back yard of a home at 1550 Annie street in Colma.

Epifanio Navejar, 488 Navy Road, was dead on arrival at Junipero Serra hospital, where he was rushed by Broadmoor police ambulance. Attendants said he had suffered a heart attack.

Navejar was working for the Callahan Construction Co. when he was stricken.

He is survived by his widow and a sister, both of San Francisco.

Funeral arrangements are being handled by W. C. Lasswell & Co. in Daly City.

Brisbane Dance

Brisbane American Legion post 473 will hold a dance Saturday night at the legion hall from 9 p.m. to 2 a.m.

Proceeds will go to the group's building fund.

ECONOMIC LAW IN REVERSE

Particularly appropriate to consider at this time of year, what with local governments in throes of drafting budgets, is the "Parkinson's Law" formulated by the "London Economist."

This formula is designed to foretell the volume of future governmental employment.

It is based on two premises: That an officer of government will always seek to multiply his subordinates; and that subordinates will make more work for each other.

Carrying figures forward from statistical experience in the last 25 years, if the rate of government employment continues at the same pace, we will all be working for the government by 2069.

A similar parallel might be found in Daly City.

As more executives are added to the burgeoning city payroll, we find more employees being hired. As more employees are hired, the volume of busy-work seems to increase. Therefore more executives are needed, ad infinitum.

Within the next few months Daly City will be in the midst of weighing what obviously will be an all-time record budget. Budgets are always all-time records in this era.

Daly City isn't a whale of a lot bigger this year than it will be in 1957-58. But if Parkinson's Law is applied you can bet your money left over from taxes that there'll be more executives and more underlings for the executives to "exec" in Daly City's 1957-58 budget.

While we don't like to argue with scientific "truths," we would like to see the "statistics" take a break in 1957-58.

Let's defy the fanciful formula compounders and arrive at a budget which includes the same number or less executives, which means that by reversing Parkinson's Law we will be reducing the need for lesser employees . . . and wind up with a reasonable budget that does not set an all-time record.

Otherwise we might all be working for the city by 2069.

YOUR CHILDREN, YOUR DOLLARS

After the teachers had won their salary request and left the chambers last week, there were two persons left in the audience at the Jefferson Elementary School district board of trustees meeting.

One was a reporter, the other an engineer for the district.

On the agenda for that evening was an item of a proposed 1957-58 budget of nearly $2 million.

To each taxpayer in the district that represents about $70 a year, not including taxes paid the state to finance its school loan program.

We have seen citizens who would orate elsewhere for hours over a 25-cent governmental cost item.

But when the elementary district ponders a $2 million outlay, not a feeble voice is heard.

We admit that the policy of the district has not been conducive to audience participation at board meetings.

Meetings generally start from 15 to 45 minutes late and end at the hour when most people, including the board, are asleep.

In addition, the board's policy is to hear patrons of the district between 11 and 11:30 p.m. Most people don't want to sit through three hours of sometimes inane double talk just to get one point across.

These are policies that can be amended, but it takes an alert public to effect the changes.

On May 17 both local school districts will elect trustees.

Between now and that date every resident of the district should make a conscious effort to acquaint himself with the candidates.

Too little emphasis is placed on election of school board members. And the apathy often shows in the make-up of the boards.

The schools are big businesses with the task of turning out products in the form of educated well-rounded youngsters.

The people you select to run these businesses are the custodians of your children and your dollars.

Both merit jealous guardianship.

LEGISLATORS TO SPEAK AT RITES FOR DMV STATION

State Senator Richard Dolwig, Assemblymen Louis Francis and Carl Britschgi are slated to be on hand May 1 when the new Westlake office of the California department of motor vehicles opens formally for business.

The culmination of a long struggle to replace the cramped quarters on Mission street in Daly City, the new offices will occupy 3000 sq. ft. in a building with a 50 foot frontage on Southgate avenue. Situated so as to serve all of the San Mateo coastside, in addition to northern San Mateo county and the southern part of San Francisco county, the field office will have ample off street parking facilities for the motoring public.

Co-incidental with the announcement of the formal dedication on May 1, Seaton announced the DMV will tie-in with the dedication fete for the Westlake station of the Daly City post office. Both buildings are neighbors on Southgate, and both were constructed by Thelhendo, Inc., a Henry Doelger enterprise.

Fred Schweickhardt, Calvin Hall Chosen New Colma Directors

At the last meeting of Colma Community center the board of directors, Frederick Schweickhardt, Colma K-6 principal, and Major Calvin Hall, retired Army officer and Garden Village resident for several years, were elected to the board. Both men have expressed an active interest in the new center program, and have previously contributed time to community services.

Questionnaires recently sent out regarding a planned after-school program at the center have all been returned, the board announced, and a survey of the parents' indicated ideas will be prepared by Schweickhardt for release early in May.

LETTER TO THE EDITOR

EX-MAYOR GREEN RIPS STITES' PLAN TO 'TRANSFER' AMBULANCE

Honorable City Council
City of Daly City
Daly City, California
Gentlemen:

I note with alarm your City Manager's intention to do away with the city-operated ambulance—a long-time free municipal service—and replace it with a privately-operated, paid service. Gentlemen! How dare you even entertain such a thought.

There is a reason for Daly City offering emergency ambulance service. Let me explain in the following story—a true one—which happened during the time I was mayor of this city.

Then, as now, health service was a responsibility of the county, and then, as now, you had a Board of Supervisors which showed very little concern for the people in the north end of the county.

Nine years ago, I was called out of bed at 3 o'clock in the morning to take a little girl to Junipero Serra hospital. We took her there in a police car, with siren screaming to save precious seconds, for the child was dying.

At the hospital, the infant, in convulsions, was put under oxygen, and we were urged to transfer her to Children's hospital in San Francisco at once, for special treatment was necessary to save her life.

The only ambulance immediately available was a county-provided, dilapidated crate, which was not equipped with oxygen. It was necessary to call on the reliable volunteer fire department, who produced a tank of welder's oxygen, which was set up in back of the old ambulance. With an off-duty policeman at the wheel, I knelt in the back of that ambulance, holding an oxygen mask to the baby's face with one hand and steadying the swaying oxygen tank with the other. Alternately, I cursed the inadequate facilities (still, better than none!) and prayed to God to spare the life of that little girl. I vowed, as mayor, that I would see to it that Daly City residents would thenceforth have an adequate emergency ambulance.

At the next meeting of the City Council, funds were appropriated to buy a city ambulance (the present one), offering free emergency service to Daly City residents, twenty-four hours a day—manned by trained personnel of the police and fire departments.

It was a good investment, for I have personal knowledge of lives that have been saved through its availability. Lives of people who suffered sudden, horrible accidents; lives of people who have suffered strokes and heart attacks. Lives of people who were stricken mysteriously, in the still of the night. Babies have been born in the ambulance.

I know what I am talking about. The little girl in the foregoing story is my daughter, Susan, now 10, and the ambulance was driven by Officer (now Sgt.) Dean Wood.

Your City Manager's proposal is another example of being "penny wise and pound foolish." The cost of operating this vital service (less than 5c per year for each resident) is infinitesimal compared with many items in his billowing budget. And its value in saving human life and suffering cannot be measured!

Had our recent earthquake been a little more serious, we could have used a dozen more ambulances. Perhaps, instead of curtailing this service, you should purchase a newer vehicle and even consider the strategic location of more than one city-operated emergency ambulance.

Please, gentlemen, don't sabotage our ambulance. After all, figuratively speaking, your next vote may be born in it.

Sincerely,
PAUL GREEN

Auto Dealer Gets Writ On Ouster

Thomas Drake, 27-year-old used car dealer, remained in business this week on "borrowed time."

Three weeks ago the city council decided not to renew his used car license, since Drake has been found guilty of illegal advertising.

Drake's attorney, Thomas Brown, last week obtained a writ of mandate from Judge Aylette Cotton demanding that the council "show cause" for its actions. Hearing has been set for April 22.

Meanwhile, Drake will be allowed to remain in business here at 6854 Mission street pending outcome of the litigation.

COUNTY CANCER DRIVE OFF TO 'PEPPY' START

"We're definitely off the ground and heading up fast."

This was the report today from the 1957 Cancer Crusade's San Mateo county campaign chairman, Mrs. Charles E. Clotere. She said the campaign, running through April, is off to an encouraging start.

"Of course, we still have a long way to go before we reach our county goal of $75,000, but there are many volunteer workers on the job, and public response is good."

Mrs. Clotere noted that the national Crusade goal of $30 million is for support of the American Cancer Society's year-around programs of research, education and service to cancer patients. "Education is a big part of the program," she said. "Even while raising funds, we are distributing life-saving literature about cancer to every home."

The research attack on cancer was described as having reached "a new era—an age of hope." Research is widening the control of cancer by finding new methods of diagnosing and treating the disease.

"This year," Mrs. Clotere explained, "the Society is supporting the work of more than 1000 top-flight scientists in 139 hospitals, universities and laboratories in 37 states and the District of Columbia. Working with these key investigators are some 3,000 younger men and women who are serving as technicians or being trained as researchers themselves."

For fiscal year 1956-57, the American Cancer Society and its divisions have allocated approximately $8 million for research. In the past 12 years, the Society has devoted about $49,500,000 to this program, starting with less than a million dollars in 1945. Nearly 10 per cent of this amount has been invested in California alone. Financial support for this program is being sought this month in San Mateo county during the April Crusade.

Knights To Offer $150 Scholarship For Student Here

Judge Thomas L. Bocci Jr., Grand Knight of Marian Council, Knights of Columbus, today announced that the unit will offer a $150 scholarship to an outstanding grammar school student in this area.

Marian Council soon will begin a series of eliminations to determine the recipient. The scholarship will be to a parochial high school of the winner's own choosing, effective for the fall semester.

Temporary CD Site Approved

A garage at the North San Mateo County Sanitation district plant in Westlake will be utilized as a temporary civil disaster control center, the city council decided Wednesday night.

Meanwhile, City Manager Howard Stites will complete negotiations with PG&E for use of space in their office on Edgemar road as a permanent control center.

Stites secured tentative council approval to increase the city's property damage insurance from $25,000 to $250,000, amount requested by the PG&E for coverage on their facilities. The extra coverage will cost the city $600 a year, which Stites said could be considered as rent for the disaster headquarters.

Councilman Micheal De Bernardi, also a director on the sanitation district, said the radio hams could move their equipment into the treatment plant headquarters "right away."

Attorney Frank Blum was directed to draw up an agreement between the city and the district to be presented Monday night.

Councilmen also scheduled May 2 as date for a civil disaster council meeting. National Guard, schools and other agencies interested in civil disaster work will be invited.

In other action at Wednesday's study session, the council:

1. Scheduled May 8 as date for meeting with Garibaldi street property owners to discuss apportionment of costs for extending street through to Hillside.

2. Heard request from Del Wilson for study on widening Knowles avenue "to prevent fuller separation of the two sections of the city."

3. Agreed to request state division of highways to hold a public hearing in Daly City on proposed Junipero Serra freeway.

4. Received letter from former mayor Paul Green protesting abandonment of Daly City municipal ambulance service. Council also heard proposed contract with Vernon Vogan, who has offered to provide ambulance service here at no cost to the city. Contract will come up for adoption Monday. Council has asked Vogan to submit a report on his financial status.

5. Agreed to vote on duty statements Monday which were tabled at last meeting in controversy over civil service rules.

Two public hearings will be held Monday, one on annexation of the city pound site, a second on rezoning of portions of Westlake S-C to commercial.

Four ordinances concerning annexation and rezoning matters will also be considered Monday.

Jeff Hi Cast's 'Shakespeare' Earn Plaudits

By Lola Bermudez

Jefferson High's Fine Arts department, under the direction of Miss Judy Seaton, presented Shakespeare's hilarious comedy, "The Taming of the Shrew," April 4 and 5, in the school auditorium.

The production, demanding combined efforts of over 100 students, was a most successful demonstration of inspired acting, artistic directing, superb costuming, and outstanding scene designing. From the response of the audience, a pleasing fact was learned—in the high school Shakespeare need not only be read; high school students can perform his plays with skill and understanding.

Heading a cast of 30, (who wore costumes almost all designed and created by Miss Seaton herself) and giving outstanding performances were Mike Calvello as Petruchio, Sandra Karn as Katherine, Ray Navarra as Hortensio, Florence Verducci and Karen Gerdes as Bianca, Roger Filippeli as Lucentio, Richard Hall as Baptista, and Joe Costanian as Christopher Sly.

The beautiful color, artistic design, and overall professional quality of the scenery in this play was constructed and designed by the art department, headed by Raymond Lorenzato. Assisting Mis Seaton was student director Sharlee Nelson.

In charge of the fine staging and lighting for this play was Ray Sullivan, ably assisted by students Bill Bertetta and Bruce Tarkington.

Folks Who Foil 'Litterbugs' May Get Awards

The State Assembly has passed a bill authorizing cities and counties awards for information leading to the arrest and conviction of persons unlawfully dumping garbage, cans, bottles, trash and refuse on public roads and private property in violation of present "litterbug" laws.

The bill was authorized and introduced by Assemblyman Louis Francis (R-San Mateo) who commented, "Cities and counties have found it difficult to enforce state laws prohibiting such dumping without the cooperation of private citizens.

"The dumping of these items is in direct violation of present state laws an dhas become a serious problem in many counties because of the difficulty of law enforcement. Such unlawful acts create a serious health problem and mar the beauty of our state and counties," he added.

Francis concluded "By offering free rewards for information leading to the arrest and conviction of persons violating the litterbug laws, it is hoped this will greatly aid in the enforcement and effectiveness of our present state laws."

Something For Everyone

Begin preparing for college early! That's the advice of college and university admissions officers to high school students who are interested in going to college. With graduation rapidly approaching, many high school seniors and their parents will want to give close attention to choosing a college and planning for the future.

There are several volumes in the Daly City Public Library's reference section that will prove invaluable: "Patterson's American Education," a complete directory of secondary schools, colleges and universities in the United States, both public and private; Clarence Lovejoy's "College Guide"; and Porter Sargent's "Private Schools Illustrated." These volumes may be consulted in the Mission street library building.

Assistance in "boning up" for college entrance examinations can be obtained in Samuel Brownstein's "How To Prepare For College Entrance Examinations."

Paul H. Landis' "So This Is College" will prove of great interest to anyone planning a college career. It includes chapters on a wide variety of topics, closing with "What should college expect of me?" and "What should I expect of college?" "Your Plans For The Future," by Mary Ford Detjen and Ervin Winfred Detjen, includes information on how to select a college, financing a college education, and vocational education opportunities as well.

Specific problems are covered in "This Is The Way To Study," by Howard E. Brown (and don't wait until you get to college to examine this one!); "A Manual For Writers Of Term Papers, Theses, And Dissertations," by Kate L. Turabian, which can save the student many hours of work and worry; and "Working Your Way Through College," a pamphlet by Kenneth C. Rathbun.

Parents of prospective college students will be especially interested in "General Education In A Free Society," the famous "Harvard Report," which covers many aspects of higher education. "New Challenges To Our Schools," edited by Sturges F. Cary, is a collection of articles and speeches covering many aspects of education on all levels, with a section on private schools which will prove very useful.

Another valuable source of information available at the library is the collection of college and university catalogs. Most of the public and private schools of this area are represented, as well as some farther away. These catalogs give entrance requirements, descriptions of courses, lists of faculties, and much other valuable information.

For further information on the library's resources on education and schools, stop at the Daly City Public Library, 6351 Mission street, or the Westlake-Broadmoor Branch library, 34 Park Plaza drive, in the Westlake shopping center. Your public library has something for everyone!

Double Sessions Definite For 11 Classes Next Fall

Superintendent H. Z. Weibel of the Jefferson Elementary School district confirmed Wednesday what had been the fear of local parents for several months: At least 11 classrooms representing some 300 to 400 children will return to double sessions next September.

Weibel said because of construction delays on Vista Grande and Vista Del Mar schools the two buildings will not be ready until March, 1958.

Even by utilizing all available facilities, including rental of Broadmoor Community Presbyterian church again, the district will find itself 11 classrooms short, Weibel estimated.

Broadmoor Cops Get $25 Raises

Broadmoor policemen had smiles all around last week.

At their re-organization meeting Tuesday, the Broadmoor police commissioners voted a blanket $25 a month increase for department members with more than two years of service.

The hike will bring salaries of officers Merrill Baxley, Charles Manning and George Carleton to $400 a month, and will increase Chief Ray Savage's monthly pay to $500.

The increment will mean an extra $1200 a year in salary costs.

The pay raises were made effective immediately.

Last week our class went to Moss Beach. We found many interesting specimens of sea life while we were exploring the beach. We found starfish, hermit crabs, water flowers and other sea animals.

When we were through exploring we had our lunch. We took two grills with us and roasted hot dogs.

We had a good time and also learned a lot about our seashore.

By Susan Friere

Lately, our class has been studying many interesting subjects. We have been making earrings, ashtrays and masks. We exhibited two Christmas scenes and some masks and earrings at the Art Exhibit at Community Center.

A couple of days ago, our principal, Mrs. Eleanor Zenovich, came into our room and presented awards to the winning classes in the netball, kickball and basketball.

We have been learning how to subtract fractions and to reduce improper fractions. We've been working hard with fractions.

Our class won the netball award, which was co-educational, because both boys and girls play.

Twelve members of our class went to the symphony concert. It took place in San Francisco Opera House. Name of the conductor was Enrique Jorda. The concert was given for school students. Some children out of every classroom went. In all, there were 70 children from Crocker school.

Our class visited the Lions' Art Exhibit. On the way home, we were caught in the rain.

This week we started multiplication of fractions.

On April 1, our class started to study South America. So far we have read about the countries of Brazil, Venezuela, Columbia and Equador. Main product of Columbia is coffee, and the products of Equador are rice and cacao. The language of Columbia, Venezuela and Equador is Spanish. The language of Brazil is Portuguese.

Broadmoor's Paula Lane Lands Bit Part In 'Pal Joey'

By Mona Baker

The dream of many beautiful girls is that someday they might be discovered and given a part in a movie. For most girls this is usually only a dream. But for lovely Paula Lane of Broadmoor this dream came true this week when she was selected from among a large group of Bay Area beauties to play a bit part in the technicolor musical "Pal Joey" which is now being filmed in San Francisco. Stars for the famous Rodgers and Hart musical, which is being produced by Columbia Pictures, include Frank Sinatra, Rita Hayworth and Kim Novak.

Paula explained to us the part which she will play in the film. Frank Sinatra, after a quarrel with his girl, Rita Hayworth, is walking along a San Francisco street when Paula drives past in a red and white convertible. He sees her and flirts with her. Paula stops the car, he gets in and they drive off together.

A talented dancer, ice skater and television star, Paula is also one of the bay area's leading models. In her movie debut she told us that she has already had her wardrobe fitting and will be wearing a pale blue sheath.

In addition to her glamorous career, Paula is also a busy homemaker and mother of small youngsters. In private life, she is Mrs. Hayden Hamilton, wife of the popular proprietor of the Shell Service Station, corner of 88th and Junipero Serra. The Hamiltons live on Maddux drive in Broadmoor.

Brisbane Lassies Show Off Bonnets

Last pre-Easter school day in Brisbane found many students gaily parading around in fancy bonnets before an audience of visitors and classmates.

The youngsters had created, borrowed, or just plain "nailed" together a wonderful assortment of Easter hats—and even Christian Dior would have taken note.

Judging was a problem for Mesdames Lucille Jones, Ellen Pohend and Marion Vickery—the competition was so close. First prize went to Chris Thompson; second, Lorraine Johnson, and third, Sandra Gylfe.

The contest, sponsored every year by the American Legion Auxiliary, is very important to all school children. It covers many topics. This year Group 1, fourth through sixth grades has as its topic "The Statue of Liberty." Group 2, seventh through ninth grades, has "The Four Freedoms of America."

Winners will be announced shortly.

The Troop 243 committee urges all the local citizens "to be generous and support our Boy Scouts in their annual Scout-O-Rama enterprise."

OLM 'Festival' Gals Glitter Over Booths

Three booths sure to draw crowds at the Westlake Festival, May 2 to 5 at the parish hall of Our Lady of Mercy church, today were tagged with glittering previews by their chairman:

Mrs. Charles Lee has good reason to be proud of her "Girl of the Golden West" doll booth, as she and her committee spent many long hours sewing the lovely dresses which adorn the dolls. She described her booth: "Out of our booth will step beautifully and imaginatively dressed dolls, ready to win the heart of any girl. Glamorous velvets, demure ginghams, radiant brides and dolls dressed in gay folk costumes, they will all be there to delight the children."

Mrs. Dino Tonelli and Mrs. John De Francesco, in speaking of their "Homesteader's Linen Shoppe," remarked: "The Homesteader's Linen Shoppe, representative of the talents of the women of Our Lady of Mercy parish, had its origin as a linen booth. So wide was the range of the domestic arts of its workers, and so brimming were their home decorative ideas, that the scope of the booth was broadened to include the many beautiful articles displayed, which may be had for a lucky spin of the wheel. In addition to the usual lovely array of bath and kitchen towels, table linens, and the indispensable pot holder, one may find the luxury type of bath and closet appointments, beautiful knit wear, baby clothes and aprons with a definite "Hostess Look" for the cocktail hour."

Mrs. Emery Nutting is delighted with the progress of her "Garden Rancho," sure to appeal to all of us back-yard gardeners. Mrs. Nutting and committee will have the shelves well stocked with such garden essentials as grass seed and fertilizer, plus such luxury items as an orchid plant, all varieties of flowering shrubs, including rhododendrons, potted plants, hanging baskets, ceramics, et cetera. Outstanding, however, are the handmade redwood shrines, constructed by Jim Murray, which house a statue of the Virgin Mother."

Village Notes

By Gwin Mitchell

PL 5-0679

This column was very late a-borning, but we were caught in the throes of a too-busy week, and a beautiful relaxed Sunday that was too good to spoil with thoughts of work. Now is certainly the time for all good men to drive down Coast highway. The plowed fields and hills are brown velvet, and the rest look as though someone had thrown a nubbly green rug over them. The wildflowers are coming out too—poppies, mustard, and that indefinitive purple and white plant that sprays color over every field it touches—and the evergreens are holding small brown or green candles on every branch tip. Coming back at night in the company of a full moon on the long quiet road, there were only the spring frogs and the country air, but each can make anyone aware of a hundred other spring feelings.

To get back to the Villages: We'd like to write belated birthday wishes to Ellen Kermode of Palisades drive. Ellen had a nice luncheon party for several young ladies, but somehow we never seemed to be able to catch up with an elusive guest list!

Nancy Langley had a party, too—for her 9th birthday. Her most wonderful present of all was a promised trip to Disneyland, but she enjoyed having a group of friends at her Southgate home, too. Guests were Nomie Klevesahl, Sue Irby, Deborah Skootsky, Natalie Tamburri, Phyllis Dake, Karen Guymon, Eloise Gordon, Janet Weinberg, Georgianna Livingstone, and Marcia Luecke.

Nimitz drive has a new resident—Julie Ann Holtzer. She was welcomed by parents Bonnie and Bob, and most jubilantly by sisters Linda Marie and Cynthia. She was a very wee lassie when she arrived, but is gaining weight now at a great rate.

Another new Villager is Anthony John Toohey, a 6 lb. 10½ oz. first baby who is living on MacArthur with proud perents Jean and John Toohey, and equally proud (if not more so!) grandparents Theo and Bertha Martin.

Goings On

The children who were lucky enough to have seen "Greensleeves' Magic" at the State College little theatre were enchanted by it all, especially with the fact that they got to meet all the princesses, the king and queen, Greensleeves himself, and the other characters out in the lobby afterwads. It was a charming play, and we can understand why the set designer won an award. We can't help but feel glad that the theatre and its plays for children are close enough for Village youngsters to have the difinite extra something which a stage play can create.

Speaking of children's entertainment, parents all around might be glad to know that for the next four weeks or so there will be special children's matinees at the Serra. They will consist of an appropriate feature and cartoons, and will run from 1 to 3:30 o'clock. The theatre will be cleared then, before the regular adult show starts. Parents who don't like the idea of their children sitting through a whole afternoon's show will be very glad of this project, we know, and we hope that the attendance records show this feeling. The whole thing is on a trial basis at present, and we, for one, would certainly like to see it permanent.

Job's Daughters had a terrific potluck dinner the other night, and we heard that they had to turn people away, having run out of food. A tribute to the cooks! Among others, we saw John and Julia Rued, Ted and Inez Weibel, Rex and Charlotte Spruiell, Chet and Addie Mattison, Gracia and Roy Krueger, Doris Hunt, the Newcombs, and Martin Orloff. Also there were the Cavaliers, Martin's group of Y senior boys —Tom Mongan, Jesper Lubbino, Harry Houkass, Ron Canovvio and Nick Peters. If we missed seeing and mentioning anyone, we're sorry!

Engagement

Village Lane had an engagement party recently, when the Stanley Browns announced Barbara's engagement to Frederick G. Rode. It was partly Fred's going away party, too, as he had finished his basic training at Ft. Ord and was on his way to Ft. Monmouth, New Jersey, for special photographic training. There were about 22 people at the party, including Mr. Brown's mother, Mrs. E. Pomeroy Brown, who had been visiting in the Bay Area for several months and has since returned to her home in Seattle. One of the highlights of the party was a long distance call to Barbara's sister, Carolyn, at Washington College of Education in Bellinham, Washington, so that she could share the party excitement too. Barbara, who is now at SF State, met Fred when they were both students at San Mateo Junior College.

Glad to report that the ramp and porch for Dan and Betty Dalton on Gilman are progressing nicely, thanks to the hard work of the volunteer carpenter crew. The doors are in and weather-stripped, and all the work should be done and ready for painting by this weekend. The painting will come after Easter. Betty had a very gay birthday last week, with cards and gifts from her family and friends.

MacArthur's Harriet Hagerman had a peculiar sort of phone call the other day. It seems a cousin of Rocky's, in Indiana, is a ham radio operator, and he got in touch with another ham in SF, who called Harriet here, and somehow they arranged it so that Harriet could talk directly to the cousin, Jim Patterson. All very mystifying to anyone (like us) who can't understand how such things are worked, but a great deal of fun for Harriet.

This and That

Sorry to report that John Davey of Edgeworth has had measles and that Pat and Cathy Meade of Maddux have had chicken pox. This theme can doubtless be repeated, with variations, all over the Villages.

CAMPUS romance at College of San Mateo will be climaxed soon when Miss Barbara Ann Brown exchanges vows with Fredric G. Rode. Pair announced engagement recently at party given by bride's parents, Mr. and Mrs. Stanley P. Brown of Garden Village.

Merced Post, Auxiliary In Joint Rites

Joint installation of officers for Lake Merced VFW Post 9921 and its ladies auxiliary were held Saturday at Benjamin Franklin school.

Installing officer for the post was Lucian Crusoe of Gen. Jacob H. Smith Post 83, San Francisco, while the degree team from the same post participated under Captain F. K. Muller.

For the auxiliary, Rose Fisher, past president of 9921 and now county council president, officiated. Installing conductresses were Toni Leist and Dorothy Brown of Matalon Auxiliary 2068, San Mateo. Dorothy Heim was installing musician.

The following sisters of neighbor auxiliaries filled the chairs: Marilyn Rummerfield, Frances Everly, Rose Davenport, Alberta Chase, Iva Baker, all of 7427 Shoreview Mel morial; Marie Glidden and Edna Strain of 2068 Matalon; Iva Neeley and Bell Oliviera, 83 Gen. Jacob H. Smith.

Music was provided by students of De Leon Music, directed by Manuel De Leon. Troop 129 Boy Scouts were in attendance.

The following comrades of Lake Merced Post attended installation of officers at Shoreview Memorial Post 7427 recently; Ralph Dull, Dennis Dunn Lewis Heim, Arthur Nelson and Lawrence Magoon.

"Missy," the dog belonging to the Mackintoshes of Washington, had an argument with a car recently and came off second best. We hope the patient is well on the way to recovery.

Many parents have commented, thankfully, on the fine way the teachers at the schools handled the children at the time of the earthquake. We would like to say thank you to them on behalf of everybody for setting such a good example of leadership in an emergency.

Speaking of the schools, we were delighted to hear that Bill Tergis' 5th grade down at Garden Village sent the attendance prize money they won to CARE, earmarked for food. The members of the class government group were the ones to bring it up. The parents of children in that group can be very glad they went to that PTA. meeting

Sweetwood's Jerry Ward was one of those nattily dressed young men modeling in the Stonestown fashion show the other day. Jerry, who is 11 and in the 6th grade at Holy Angles, was strictly Ivy League, we hear.

Johnny Wall of Fairmont told us a clever Easter trick for children's fun. She opens eggs carefully, leaving a small hole at one end, cleans and dyes the shells, and puts a favor or candies inside. The kids love them, particularly at egg hunts. Johnny also tells us that husband George is recuperating very well after his ulcer operation, and will be back on the egg route soon. He will also be playing trombone in the civic light opera series again this year.

Benjamin Franklin kindergarteners had an Easter parade all their own before vacation, showing off tall black hats on the young men and fancy flowered chapeaux on the young ladies. Quite a sight!

Ray Savage, Vi Murphy and George Carleton had a busy Saturday last week taking 23 traffic boys and girls on their annual PTA-sponsored party. They took in the Cinerama, "Seven Wonders of the World," and had a hot dog picnic at the BPD station yard afterwards.

The very first services have been held in the new Broadmoor Presbyterian sanctuary, and everyone who went could not help feeling proud and glad that it is theirs at last. The members of the building committee, whom we know well, should take pride in what they have accomplished. It is a beautiful sanctuary, and will be even more so when the outside landscaping is finished. Go by some night when the lights are on inside and the windows are shining.

Barbara Brown Will Wed Fredric Rode

Engagement of Miss Barbara Ann Brown of Garden Village to Fredric Gardner Rode of Menlo Park was told recently at a party given by the bride-elect's parents, Mr. and Mrs. Stanley P. Brown.

The couple, who first met while students at College of San Mateo, have not yet set the wedding date.

The announcement fete also served as a going-away affair for the future groom. Fredric left last week for specialized training with the U. S. Army at Fort Monmouth, New Jersey. Due for a three-year stint in khacki, he was stationed at Ft. Ord the past two months.

The benedict is the son of John K. Rode of Menlo Park and grandson of Mrs. Ester K. Rode of San Mateo. He attended Menlo school, and was graduated from College of San Mateo last year.

Barbara Ann, who will graduate from San Francisco State next February, formerly attended St. Vincent's in San Francisco and College of San Mateo. Her sister, Carolyn, is a student at Washington College of Education in Bellingham.

The bride-to-be's father is secretary of the Garden Village Improvement club and a prominent member of the North County Democrats.

Approximately 22 friends and relatives attended the engagement party.

PTA's Get Special Serra Movie 'Plan' To Enlighten Kids

Through the efforts of Jefferson Elementary School district PTAs, management of Serra theatre has agreed to a "trial-run" of showing films selected by the Parent-Teacher magazine, on Saturday afternoons.

All parents are urged to support this program, as the success of the following few weeks will determine the summer schedule. For one month on Saturdays, movies chosen will run from 1 to 3:30 p.m., at which time the lights will be turned on and the theatre cleared of al children before the adult program begins.

On April 20, "Ali Baba and the 40 Thieves" will be shown, plus cartoons and shorts; on April 27, "Smokey," plus cartoons and shorts, and May 4, "Daniel Boone," plus cartoons and shorts.

Merced Auxiliary Members Officiate At Installation

Sister Rose Fisher of Lake Merced Auxiliary 9921 officiated as installing officer at the recent installation of Shoreview auxiliary 7427, San Mateo. Installing conductresses were Hazel Eagleton and Hilda Stettler, while musician was Dorothy Heim, all of Lake Merced auxiliary. Sisters Dunn, Magoon, Dull and Solbakken helped fill officers chairs at the rites.

Sunday Sisters of Lake Merced held ritualistic services for a deceased Sister, Hazel McKittrick at Halsteads Funeral Home.

St. Martin's Observes 'Rainbow Sunday' Fete

"Rainbow Sunday" was observed at St. Martin's Episcopal church on April 7 with the attendance of approximately 40 members of Golden West Assembly No. 12, Order of the Rainbow, at the 9:30 a.m. family service in Westlake auditorium. Worthy Advisor of the group is June Shower; Miss Jean Tozer is Mother Advisor. Church attendance in a body is required of all members on the Sunday nearest April 6, anniversary of the order's founding.

St. Martin's vicar, the Rev. Allen J. Downey, addressed the group on the significance of religion in the Rainbow ritual, and expressed pleasure in welcoming such a large group of attractive visitors to Westlake. Most of the members came from San Francisco.

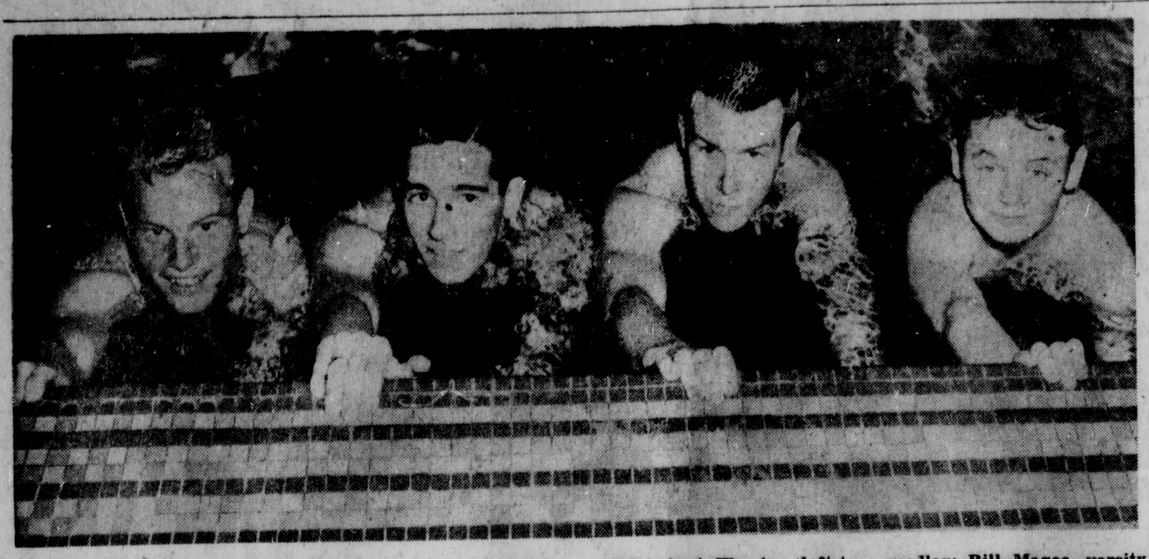
Brisbane Bops Pedro For Title



Steel nerves and spirit to match earned Brisbane Market's bowlers the 1957 Daly City-Colma League championship in a hair-line finish Tuesday night at Brentwood Bowl.

The hillsiders did it the hard way—wresting three clutch games from torrid San Pedro Lunch. The pizza proprietors had a two-game edge going into the showdown.

The jammed audience seemed satisfied. It was a fierce race all the way. Four teams (add McGahey and Olson and Towne House) made the scramble the best in the 16-team loop's hsitory.

San Pedro missed destiny by one slim game. M&O, split decisioned by Vince & Fred's, nailed third—four games out. And Towne House, another pretender, landed in fourth.

Princes for the new champs were Bill Strassburger, W. King, D. Wright, D. Girton and C. Knapp. Same goes for Pedro's O. Schramm, Ted Gantert, A. Wright, Paul Purpora and Del Fehl.

Strassburger's 593 series was the major weapon in the clincher. Fehl led the losers with a 532.

The Brisbaners pick up team and individual trophies next Tuesday, same place, in the all-loop Sweepstakes. Also due trophies are Vince Merlo, tops in league high series (668), runnerup Roy Alhona (662), and Brisbane's King, high game poster (265), and second best, P. McEvers (258).

Donnellan Realty and Westlake Homes bowed out by scoring whitewashes. The Realtors bounced Luce Meats, the Westlakers blanked Thur Meats.

Two out of three victors were Paul's Flowers over DC Cleaners, Towne House over Bank of America, Carmona Chemical over Carlo's Pizzeria, and Plaza Furniture over Edisco.

Statistician Herm Kalinin, San Pedro captain, had a busy season. Also lots of praise for the Brisbane bunch.

JEFF'S three swimming teams, dual meets behind them, hope to salvage so-so season in North PAL trials. Above splashers are Joe McGrath's best. They're (left to right): Fred Howard, B's captain, breaststroke; Phil DeLucchi, varsity captain, breaststroke and individual medley; Bill Magee, varsity diver and assistant captain, and Rich Curry, C's captain, backstroke and breaststroke. THE RECORD photo

DeLucchi Is Hot As Jeff MermenWin

Twin wins by Phil DeLucchi gave Jeff's varsity swimmers a happy finale last Thursday in a dual meet against South City, 40-28.

The Warriors salvaged the lightweight contests, nabbing the B's, 35-31, and the C's, 35-15.

Varsity victory was the first for the Indians. DeLucchi's firsts came in the 100 breaststroke (1:10.3) and the individual medley (59 flat). Phil could sweep both in North PAL trials next week at Capuchino.

Other first placers in the triumph were freestyler Hugh Rae, backstroker Rich Erickson, and diver Bill Magee.

Leading the Tribe B's were Phil Phillips, Jim Ahern, Fred Howard and Al Tafoya. Topnotchers for the C's were Paul Heneise, Rich Curry and Len Mejia.

Slate Volleyball League For Girls

A volleyball league for girls throughout the city, 13 years and under, was announced today by Dee R. Van Nest, director of parks and recreation.

Games will be played on Saturday mornings, starting at 10:30 o'clock, at the following sites: Community Center, Edgewood, Lincoln, Marchbanks and Westlake parks.

Girls are advised to sign up immediately with the respective recreation leaders.

'Down-But-Not-Out' 248 Softball Nine Nips Pack 36, 20-19

Overcoming a 12-1, third-inning deficit, Westlake's 248-B softball kids roared back with three beefy homers to nip Pack 36 last week in a wild one, 20-19.

Long pokes, decisive in the comeback, were executed by Hunt, Buekers and Jaspovice. Everybody in the Westlake lineup whacked at least 2 hits.

Best frame was bottom of the third, when the survivors rambled for 9 runs.

David Horn was the hero. He came on in the fourth in relief, getting the win.

Tribe Waits For Flag Play

Trying to keep busy in the rain-abrupted South City invite tourney this week, Jefferson's baseballers have their thoughts pinpointed on resumption of the North PAL flag chase April 26 at Hillsdale.

Surprise of the loop after they belted the pace-making Warriors and then slapped San Mateo, the Tribe are resting comfortably in second place, one game off the top. And there's no reason to predict they won't go all the way.

The Industrial City affair got off to a wet start Tuesday, with only four teams getting in their licks. Ed Leveroni and pals had a 2-0 edge over Sacred Heart before the showers.

Ino Patron's single and double cranked the ignition.

Wednesday, it was the same story. The rains came.

So this Thursday, tourney pushers hoped to get the delayed show on the road.

Steve Mezzera's Jeffs and the SF Irish were slated for battle at 2 o'clock in South City. At the same time, Serra went against Los Gatos.

This Friday, the Good one, winner of Serra-Los Gatos meets once-victorious South City, and loser of the first clash meets Galileo.

In the afternoon, survivor of the Jeff-Irish tilt plays Capuchino at South City, 3:15 o'clock. The Mustangs prevailed in their debut over San Mateo. Loser meets the Bearcats in San Bruno, also same time.

Championship feud is scheduled for Saturday, along with scrambling for runnerup slots.

Leveroni, incidentally, was in command against Sacred Heart on Tuesday. Mezzera no doubt will rest his ace next Tuesday when the Tribe entertains Santa Rosa High at Marchbanks in an afternoon affair. Ed will be fit for tying the following Friday against Hillsdale.

Leveroni, 2-1 in loop mound workmanship, leads the fellow toilers in two brackets. He has worked 21 innings and has whiffed 23. No other North PALer can make these statements.

Pint-size Patron leads the Tribe in league sticking. He's stroking .364, and no leadoffer in the circuit is possessed of quicker reflexes.

The pennant pursuit is no cinch for the locals. South City has the upper hand, while Cap, Carlmont and Hillsdale are much in the fight.

Last week, Cap dusted SM, the Warriors stopped the Knights, and Burlingame bumped Carlmont. Our lads were idle.

Wet Softballers Try Anew Sunday

Showered out of last week's tilts, softballers in the Westlake League sprint back into action this Sunday with a trio of games.

Key clash pits front-running Shopping Center and the Richfield nine at 3 o'clock. The 11 o'clock lid-lifter matches Westlake Lodge and doormat Westlake Joe's. The sandwich affair at 1 o'clock involves Val's and Our Lady of Mercy's stout-hearted men.

Westmoor Horsehiders Cop 5th Tilt, Trip Staters, 4-3

Sophomores almost to a man, Westmoor High's baseball nine knocked off San Francisco State's JV's, 4-3, last Thursday for the Rams' third straight win.

Dave Simmons, the wise workhouse, was artistic on the hill versus the college lads. He's been a leading figure in all Westmoor tiffs to date.

Dutch Meyer's club is now 5-3 for the campaign, pretty fair for a first-year outfit. Next foe will be Balboa's JV's on Wednesday afternoon at Ocean View diamond. O'Connell High will be the opposition the day after.

Full info on the Rams' conquest over the Staters was not available.

Shin-kickers Feel It Was Too Easy!

Daly City's soccer entry sort of "backed" into a second place finish in the Peninsula League over the weekend as they picked up their second forfeit victory.

SSF Hillside's shin-kickers failed to show, so the locals wrote 3-1 as their record. San Bruno's Deuces grabbed the title, unbeaten in 4 tilts.

Two weeks back, the DC lads took a forfeit over San Bruno's Aces. Only action for our side was a first-game loss to the Deuces, followed by an 8-0 win over SSF Spruce.

Ron Johnson Guns Unscarred B'moor A's To 1st, 31-0

Broadmoor's A softball squad, gunning for a repeat on top, today is perched high and mighty as undisputed leaders in the National Division of the West Of Twin Peaks League.

Ron Johnson's deliveries and strong sticking paved the A's to a 31-0 whitewash over Westlake's 248 last week. Loss was the first for the vanquished, while the win was number 7 for the locals.

Johnson notched a 3-hitter, fanned 6, walked 3. Ruthian batters were John Vocke, Alan Contreras and Bruce Hix, each with triples.

Others climbing the hit parade were Larry Skinner, with a double, Dan Dempsey, Dave Harris, Jim Fisherhall and Johnson.

Tops for Westlake were flinger Mendoza (despite the score), Mallinger and Smith.

This Saturday, the A's meet the 160 A's at Parkside. Slaughter begins at noon.

Jefferson Hi Pool Is The Greatest: Give It A Whirl!

You 31,000 folks in the Daly City area are missing a lot of fun if you don't take advantage of Jefferson High swimming pool.

Mike Orlich, Jeff P. E. boss, repeated this simple philosophy today, hoping more folks will try the inside swimming hole.

Starting next week, the pool will be open Monday through Friday nights, 7 to 9 o'clock, for tots and adults alike. Saturday hours are 2 to 4.

Fees are nominal. Jeff and Westmoor students need pay only 25 cents, while out-of-town students fork over just 50 cents. For adults, admission is an economical 75 cents.

Suits and towels for all sizes and shapes, Jayne Mansfield to the Thin Man, are supplied by the school district. Qualified life guards will make sure there's no horseplay.

This is for the entire community. Heed Orlich's advice!

Dave Steele Drives In Vallejo Races

Dave Steele, popular Daly City racing driver, will be among a field of 30 qualifiers for Sunday afternoon's sprint car program at West Coast Speedway, near Vallejo.

The pipe-smoking Daly City ace drove only part time last year, but has picked up a regular ride this season with car owner Carl White.

Fourteen cars will start the 50-lap feature race on the five-eighths mile dirt track.

Legion Switches Meet To San Carlos

The May 3 meeting of the San Mateo county district of the American Legion will be held at San Carlos instead of Daly City, it was announced today.

Daly City Post 410 will not hold its regular pot luck dinner this week because of Easter observances.

Tribe, Ram Golfers

Jeff High's golfers, 1-2 in North PAL play, are slated to meet Westmoor next Tuesday afternoon at Lake Merced.

The match, first between the schools, will be an exhibition. The Ram linksmen are not in the league.

SERGEANT BILKO HAS NUTTIN' ON BIG MIKE ORLICH

P. E. head man Mike Orlich of Jeff High is giving video's Phil Silvers a close run for the "Top Banana" title.

Modest Mike informed THE RECORD today that he has been selected as one of the officials for the five-year game, barnstorming series between the Boston Celtics and the NBA All-Stars. The pros open their Northern California tour on April 23 at San Jose, coming to the Cow Palace two days later.

Orlich's partner will be an Eastern ref, a guy who has traveled cross country with the pro kings and their rivals.

Fact Orlich got the duty is a tribute to his savvy on the sport.

Hubman, Morris Hog Tetherball Spotlight

Winners in the giant tetherball tourney at Marchbanks park last week were announced today by Dee R. Van Nest, city director of parks and recreation.

Gerald Hubman prevailed in the 7 to 9 age group, whipping Keith Stroller, Eugene Chase and A. Mattson.

Ron Morris was champ in the 9 to 12 division, downing Don Drew, Dolores Garcia, Rose Marie Stabile and Wayne Stroller. He nudged Miss Stabile in the clincher.

Twenty-four boys and girls participated.

SPORTSMAN'S DELIGHT

Westlake Greases Skids For Giant Outdoor Show

One of the largest shows ever staged in the Daly City area is on tap for Westlake, May 1 to 4.

Complete with boats, travel displays and vacation ideas, the Westlake Boat, Travel and Vacation show will open its four-day stand in Westlake Shopping Center.

Plans call for one of the largest outdoor displays of boats, ranging from small row-boats to large, deluxe cruisors, plus camping equipment and travel ideas from the combined efforts of the airlines, railroads and steamship companies of the world.

One of the features will be the erection of a complete outdoor camping scene, accentuated with a pine forest and outdoor camp. Thousands of dollars in camping, fishing and hunting equipment will be shown during the show.

According to Bernard Etchevery, president of the Westlake Merchants association, a drawing is planned for an outboard motor and boat and a complete camping tent.

Admission is free, exhibits included.

UP 'N OVER is easy task for Jeff highjumper Gordy Tydingco, consistent winner for Coach Bob Watt's C squad. Also an All-North PAL lightweight cager, Gordy figures to add glory in loop trials April 30. He owns league's best leap this year—a 5-4. As a low hurdler, Gordy's good, too. THE RECORD photo

Jeff Thinclads 'Slaughter' SSF Varsity; L'weights Skid

With Sonny Martinez, Jim Farley and Jeff Chase paving the path with two victories each, Jeff's varsity cinderclads stomped South City last Friday on the Warrior oval, 81-31.

The arch-rival pocketed both lightweights affairs, however, copping the B's, 66-46, and the C's, 53-24.

It was the final North PAL dual meet afternoon for Bob Watt's lungers. Varsity finished 3-3, the B's, 1-5, and the C's 3-3.

Bad Breaks

The Indian chief offers no apologies. His heavyweights lost two meets by one-point margins (Blingum and Carlmont). Luck would have meant a record of 5-1. Also in the C's, temporary loss of John Margaroni, fleet sprinter, hurt the locals considerably. John was "quaked" out to Boston, but returned to the fold this week—sorry and eager.

Tuesday, Watt exercised his legions in a three-way affair with Westmoor and Galileo at Jeff. Not important, just a drill.

Down On Farm

This Thursday, a bunch of Jeff's best were tabbed for the PAL-Stanford Frosh session at Palo Alto. Next Tuesday, Watt and crews return to Stanford city for an exhibition against Palo Alto Hi. The Martinez Relays, not named for champ-to-be Sonny, will attract Watt's standouts on Saturday, April 27.

Then come the PAL trials on April 30. Space is limited. Gushing details in THE RECORD next week.

Clean-up Week Set May 20-25

Daly City's annual "Spring Clean-Up," a time when householders usually get rid of a year's accumulation of miscellaneous junk, has been set for the week of May 20 through 25.

Al Sereni, president of the Daly City Scavenger Co., reminded residents that pick-up of additional refuse will be made on the same day as garbage collection.

All junk must be placed on the curb the night before the pick-up, Sereni said. Paper must be tied in secure bundles, not weighing more than 30 pounds each.

Trimmings and lumber must be tied in lengths less than three feet.

Wayne Howell Does It Again: B'moor's B's Explode, 27-0

Pitching true to his usual par, Wayne Howell fashioned a one-hit 27-0 rout for Broadmoor's B softballers over St. Anne's Saturday as the locals continued their stampede toward the Western Division title in the West of Twin Peaks League.

A win this Saturday over the Westlake club—number seven for the spotless kids of Everett Heick—will give them the flag. They can't get less than a tie even should they fall Saturday. Triumph, on the other hand, means passage to a playoff with the Pioneer Division, kings for the all-loop championship.

Howell's chore was easy in registering the footballish decision. He faced 29 batters, whiffed 14, and surrendered 7 walks.

He got plenty of plate help: Mickey Garner, 2 doubles and a triple; Jim Manning, homer and 2 singles; Jim Orlich, bases-clearing triple and 2 singles; Jack Crofton, triple and 4 singles, and Mike Fitzpatrick, 3 singles and a double.

Jeff High's Art Banos set a new world record in the high jump last week. In fact, the Indian B exceeded the former mark by 10 or so feet.

There was a hitch, however. Banos' spectacular feat was paperweight ONLY. Seems your hurried reporter tapped out "high" jump instead of "broad" jump as Banos hit 17-4 for a first against Carlmont.

Phones jingled in THE RECORD office. Many asked about the Jeff "sensation," Then the roof fell in. We read the paper.

Nice try, Art. Sorry for the editorial miscue.

Funny thing about fame. It's so darn short-lived.

SPIKESTERS

Hillsdale Takes Two From Rams

Although dismembered, as expected, in the varsity go, Westmoor's track and fielders managed to post a win in the C's division Friday in dual meet action at Hillsdale.

The streaking Knight varsity lorded it over the locals, 88½-23½, and the Ram B's were shaded, 60-51. But solace came in the third bracket, with Westmoor's C's on top, 48-29.

Outcomes left the Ram varsity 0-5, the B's 2-3, and the sparkling C's 3-2. Ernie Ribera's lightweights have amazed the loop as first-time aggregations. With no seniors, the varsity suffered as a consequence. Next year, however, Ribera's squads, all three, will be with the cream of the crop.

In a three-way warmup outing Tuesday, Westmoor tripped Galileo's forces at Jeff. Bob Watt's Indians competed, too, but no times and marks were recorded for the Jeffs.

Ribera's ramblers were slated to face Cubberley in Palo Alto Wednesday. Thursday was the day for the PAL All-Star-Stanford Frosh affair down on the farm.

Rip-Snorting 4th Frame Zips Drug Kids To 11-3 Win

A 10-run, fourth inning was the dynamite Saturday as the strength-untold Daly City Drug baseballers sauntered to an 11-3 win over Mill Valley Boys Club on the Tamalpais High diamond.

Billy Kane's two-run triple, scoring Billy Ludwigsen and Bill Hynes, was the main blast in the outburst. And it broke up what started off as a pitchers' duel.

Lefty Terry Christman was at his best of the season, allowing just 4 hits, striking out 8, while walking but 1. He set down the side in order in 4 of the 7 frames.

The Tom Bournellis-sponsored DC kids shelled 2 MV tossers for 13 safeties. Skip Crudo's homer and 5 rbi's by Hynes did most of the damage.

Fielding-wise, the Creighton-Krohn products impressed. "Saves" were registered by Kane, Berry Krohn and tiny Mike Lanthier.

Sunday's tussle with Moar's cafeteria was flooded out.

Brisbane Keg Loop Champions Honored

Trophies were presented to members of the Brisbane Union Service bowling team at a recent banquet.

The gas men defeated Flying Dutchmen to win the Brisbane league play-offs.

Members of the flag winners were: Don Johnson, Midge Siciliani, Chuck Knapp, Chuck Haller, Marvin Moore and Dick Wright.
